Grow India's Export Story

With a humble beginning in 2019 in domestic market, Grow India in less than half a decade has achieved exponential growth in export of agro products.

We have delivered more than 200 containers till June 2024 which includes:

- Fruits - Watermelon, Mangoes, Pomegranates
- Vegetables - Tomatoes, Chilli, Onion, Grapes
- Sweets and Snacks of popular brands
- Frozen and Ready to Eat food of popular brands
- Commodities - Pulses, Lentils, Jaggery
- Non Perishables - Ganapati idols, Indian festival items, decoration items

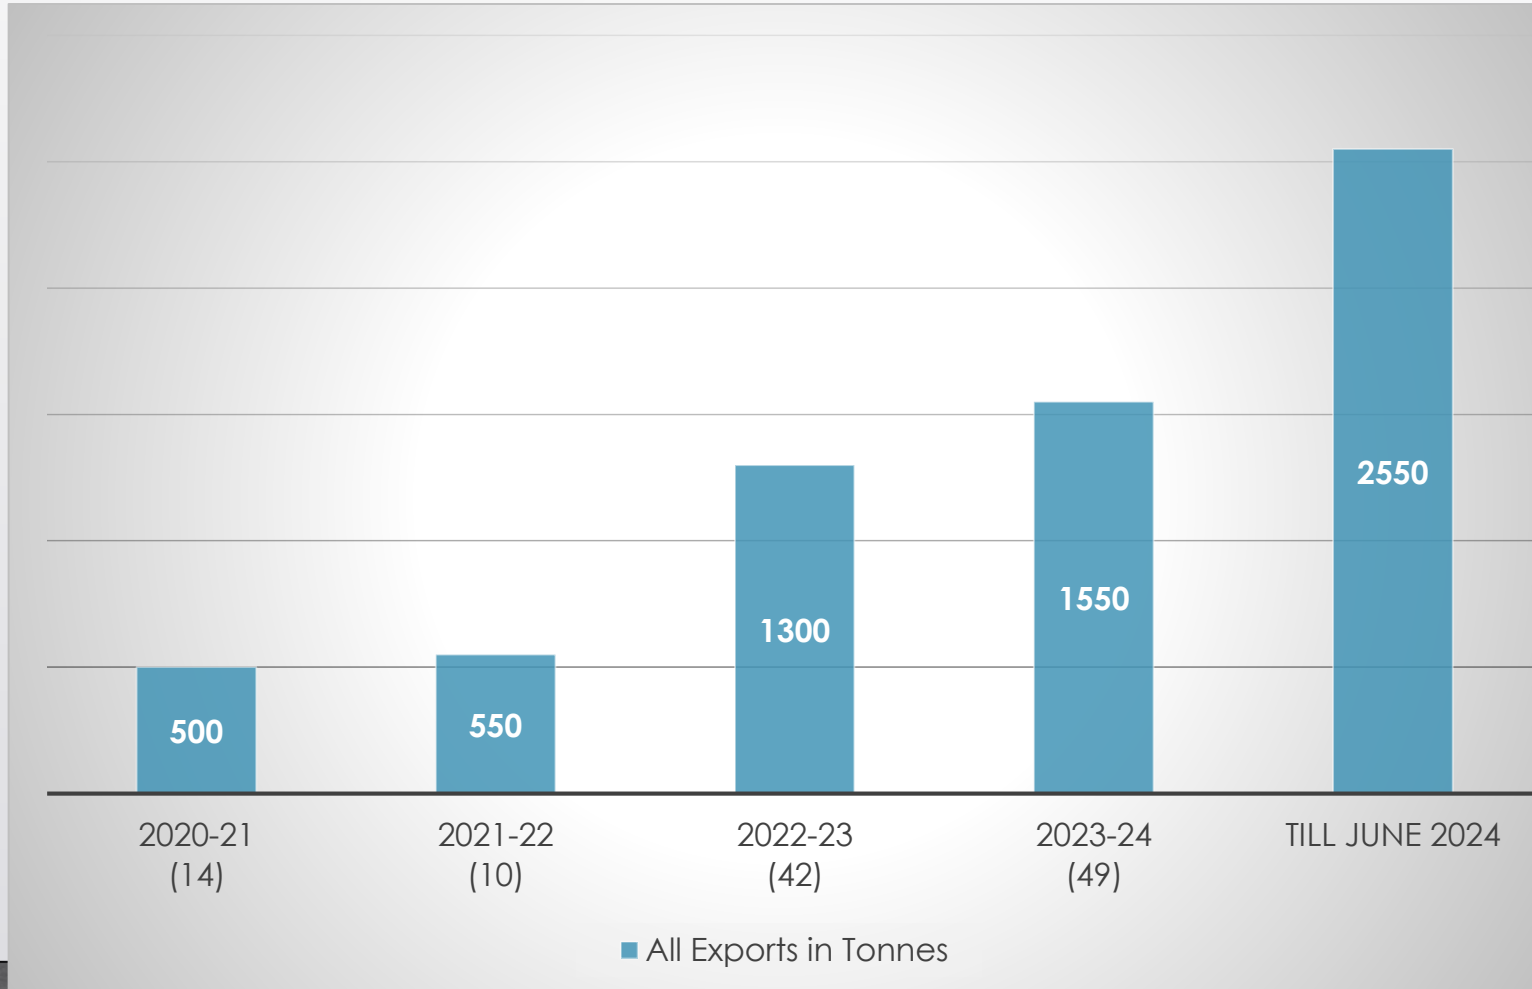

We are developed our capacity and knowhow for all mediums of export including Sea, Air and Road.
